No. C.676-22
Encls. One

Office of the Senior Surgeon, Mysore Govt.,
Dated, Bangalore, 18th November 1920.

10907

From

Dr. H.B.Mylvaganam, F.R.C.S.(Eng).

Ag. Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

CHIEF SECRETARY'S OFFICE
23 NOV 1920

In submitting for the orders of Government, a copy of letter No.140, dated 22nd October 1920, received from the Principal of the Medical School, Bangalore, forwarding proposals for the opening of a Hostel for the benefit of the students of the Medical School, I have the honour to state as follows:-

2. There can be no two opinions regarding the advantages of having hostels under proper supervision, in connection with Educational Institutions and the necessity is imperative in the case of institutions imparting professional education. A Hostel has been opened in connection with the Engineering College and I understand that the cost of purchasing utensils and other articles of initial equipment, to the extent of Rs.1000/- has been met by Government and that towards the recurring charges, the Government have agreed to bear half the rent of the building.

3. The Principal puts down the estimate of intial equipment at Rs.850/- for utensils and Rs.2,214/- for fur-

furniture. It does not, however, seem necessary that Government should help the students to the extent of the whole amount as per estimate. I, therefore, recommend that Government may be pleased to sanction a grant of Rs.1000/- towards initial equipment (Viz.,purchase of utensils and a few articles of furniture for general use) leaving the students to help themselves in the matter of furniture for individual requirements.

4. As regards building, the Chief Engineer has intimated in his letter No.B.3545, dated 7th October 1920, that the building and compound known as "Rama Mandiram" in the Fort, which was acquired for the use of the Medical Department, under the authority of G.O.No.8369-72-Medl.93-16-17, dated 28th June 1917, has been already taken over by the Public Works Department and is ready to be handed over to this Department and that officer has been informed in reply that the building will be taken charge of as soon as sanction of Government is received for the opening of the Hostel therein. As the building is already the property of Government, I request that they may be pleased to permit its use as a hostel for the students of the Medical School, free of rent.

5. The establishment proposed in the Principal's letter also seems capable of reduction. I would propose

| | |
|---|---|
| One Head Cook ... ... | Rs.15/- |
| One Asst -do | Rs.12/- |
| One Peon. ... ... | 10/- |
| One Maid servant... ... | 6/- |
| One Sweeper ... ... | 7/- |
| Allowance to School Clerk..... | 10/- |
| Total. | Rs.60/- |

or Rs.60/- per mensem which I also request may kindly be paid by Government, any extra charges on account of maintainance being borne by the students themselves.

6. One of the Lecturers or Demonstrators will be deputed to guide and control the habits of the students in the hostel which will be under the general supervision of the Principal.

7. The whole arrangements may be sanctioned as a tentative measure for 3 years to begin with, at the end of which, further proposals will be submitted for permanent arrangements, on the experience gained in the experimental period.

8. I request the favour of very early orders in the matter as the students are now left without adequate control on them during out of school and hospital hours and are otherwise subject to discomforts in the ill managed ordinary hostels in the City.

I have the honour to be,

Sir,

Your most obedient servant,

H.B. Mukherjee

Ag.Senior Surgeon.

SSR-BVA,

Letter No. 140, dated 22nd October 1920 from the Principal, Medical School, Bangalore, to the Senior Surgeon.

---

"With reference to your No.C.676 of 19-20, dated 18/20th October 1920, I have the honor to submit herewith complete proposals with estimates for favor of obtaining sanction of Government for opening up of the hostel attached to the Medical School and to state that similar institutions like the Engineering College, Bangalore, have been sanctioned on initial equipment of Rs.1,000/- along with the following establishment:-

2 Cooks on Rs.20 and Rs.17/-
2 Peons on Rs.12/- each;
1 Maid servant on Rs.6/-
1 Jadmaly Rs.6/-
Allowance to clerk, Rs.10/-

Half the rent of the building and half the establishment charges are borne by Government, the other half being borne by the students themselves. I request therefore that you will be pleased to obtain sanction of Government for meeting the above cost from the Medical Budget grant, a detailed estimate of which is herewith sent.

It is necessary that the students should be under our direct supervision to keep them under strict discipline and away from temptations that are likely to distract their mind from their studies. A wadren is therefore advisable for the management of the Hostel. One of the Lecturers of our school may be given an allowance of Rs.30/- to look after this work.

The rest will be managed by the students themselves.

TO

The Secretary to the Government of Mysore,
Revenue Department,
BANGALORE.

Sir,

11 MAR 1921

With reference to your letter No.G.15193, dated 14th February 1921, I have the honour to state that the arrangement of allowing the Resident Medical Officer of the Minto Ophthalmic Hospital in one of the staff quarters of the Victoria Hospital was ordered only as a very temporary measure and cannot therefore continue permanently to the permanent inconvenience of the staff of the latter hospital.

2. In this connection, I beg to enclose a copy of letter No.1004 dated 19th idem, from the Medical Officer, Victoria Hospital and to add that the presence of the Medical Officer always in the premises will certainly tend to increase the efficiency of the institution.

3. At all events the Resident Medical Officer of the Minto Ophthalmic Hospital should be asked to vacate the present quarters occupied by him and to shift into Ramamandiram which property had been acquired for the purpose. The idea of a hostel for the Medical School may be postponed for the present.

I have the honour to be,
Sir,

Letter No.1004 dated 19th February 1921 from the Medical Officer-in-charge, Victoria Hospital, Bangalore, to the Senior Surgeon, Mysore Government, Bangalore.

*****

I have the honour to bring to your notice that as per Government Order No.1525-8-Med.67-15-19 dated 24-8-1916, the Lady Medical Officer's quarters in the hospital is now occupied by the Resident Medl. Officer of the Minto Ophthalmic Hospital, and the Lady Medical Officer who had to live outside is granted a house rent of Rs.30/- per mensem.

2. The quarters intended for the Medical Officer-in-charge of this institution is now occupied by the Medical School. As I consider my staying in the hospital premises would be in the interests of the institution so as to maintain better descipline, I request that you will be so good as to recommend to Government to permit me to occupy the quarters in which the Resident Medical Officer of the Minto Ophthalmic Hospital is now living, and the latter officer may remove to Ramamandiram in Fort, which was purchased for him.

To

The O/C Senior Surgeon

Sir,

With reference your letter No C 676-26 dated the 5th March 21 forwarding a copy of a letter from the Medical officer, Victoria Hospital, requesting to permit him to occupy the quarters in which the Resident Medical officer of the Victoria Hospital is now living, I am directed to enquire whether he is willing to pay 10 per cent on the salary

as the Medical officer is not entitled to free quarters,

over.

22643

No. C 676-30 of 19-20

Senior Surgeon's Office,

Bangalore, 28th April 1921.

From

The Senior Surgeon in Mysore,

BANGALORE.

To

The Secretary to the Govt. of Mysore,

Revenue Department,

BANGALORE.

Sir,

In reply to your letter No.G.18475/Med.91-20-4 of the 2nd instant, I have the honour to state that if the Medical Officer be asked to pay 6% of the Capital cost of the building, it will cost him Rs.45/- monthly, as the Capital cost of the building, now used by the Resident Medical Officer, Minto Ophthalmic Hospital, amounts to Rs.9000/-. This building is a small one consisting of 4 rooms and 2 bath rooms and a kitchen, which is not at all suitable for an Officer of the Medical Officer's status. Besides, he could rent out a much better house outside for Rs.55/- or 60/-, with much pleasanter surroundings and fresher air to breathe than obtainable within the hospital premises. So it will not be to his advantage at all to come to this building. Further, it has been an established practice in this State to give free quarters to the Principals or Head Masters of Colleges and High Schools. So, in this instance, Mr. Subba Rao may be given the privilege of occupying the quarters, as he is both Medical Officer of Victoria Hospital and the Principal of the Medical School. I need not add that it would be to the best interest of both these institutions if their Head was living in their close vicinity.

2. The present Resident Medical Officer is quite a new

a new Officer and he will require the constant help of the Medical Officer for his guidance, in both administrative and professional work of the hospital especially in emergency cases coming in at night.

3. Under the circumstances, I request that the Government will be pleased to allow him to occupy the quarters free of rent.

I have the honour to be,

Sir,

Your most obedient servant,

K. B. Mukherjee

HBM-BVA.
